

# Schuhplattln

„Schuhplattln“ is a bavarian and austrian dance.  
This dance is almost 1000 years old.  
The inventors were farmer and hunter.

The boys learned this dance, because they couldn't read and write,  
and they wanted to impress the girls.

Girls wear „Dirndl“ and boys wear „Lederhosen“.  
You dance to folk music and you dance with your partner,  
but you can also dance alone.

**The first „Trachtenverein“ was established in 1883.  
In Germany are 2000 „Trachtenvereine“  
with almost two million members.**

**But today is Schuhplattln only a fun dance.  
And in Bavaria are many Schuhplattl clubs like  
the Trachtenverein Oberwiesacker,  
Trachtenverein Regensburg,  
Trachtenverein Kastel and many more.**

**This was our presentation about „Schuhplattln“.**
