

TIPICAL SLOVENIAN FOOD

Slovenian Comenius team

In Slovenia we have a lot of typical food

ŽLIKROFI:

-Žlikrofi is typical Slovenian food from Idrija. It's made of paste with potatoes sauce.

-It is interesting, that shape of "žlikrofi" is just like Napoleon's hat.

ŠTRUKLJI

- Štruklji is old Slovenian food.
- They can be made of paste and for example with cheese, apples, blueberries and walnuts.

PREKMURSKA GIBANICA

- They are made of paste and with four kinds of sauce for example cottage cheese, apples, poppys and walnuts.

AJDOVI ŽGANCI

- Žganci is typical farm-style food from Slovenia.
- Actually we cook buckwheat flour and water.
- We can set "Ajdovi žganci" with cracknels and milk.

KRANJSKA KLOBASA

- It is sausage typical for Slovenia.
- They mix different kinds of meat:
 - 68% of pork
 - 12% of beef
 - 20% of bacon

POTICA

- Potica is original Slovenian desert.
- It is made of paste and fills with walnuts and raisins.

DRAŽGOŠKI KRUHEK

- Dražgoški kruhek is hand decorated gingerbread cookie.
- Typical shape is heart.

JOTA

- Jota is some kind of stew.
- It is made of beans, cabbage, pork and spices.

KRVAVICE

- It is one kind of sausage, which is filled with pork or beef and beef`s blood and pulp.
