- Celebration day of St. Martin is on the 11<sup>th</sup> of November.
- St. Martin was a soldier who gave his coat to beggar who has hid his own poverty.

- He is also the patron of charity, viticulture and farm animals.
- His attribute and companion is a goose.

# ST. MARTIN IN SLOVENIA

- In Slovenia the St. Martin's Day is celebrated mostly as day of wine.

- Apple cider is regarded as unclean and sinful new wine until this day.
- How do we make apple cider?
- On St. Martin's day apple cider turns into a veritable wine by someone who is dressed as a bishop.

- In accordance with the customs and habits we roast Martin's goose and prepare desserts, cakes, biscuits ...
